

Welcome to Survival Camp!

At Survival Camp (ages 10-14), campers will learn what it takes to survive in the wilderness. Each day will be devoted to honing participants' survival skills – shelter building, wilderness navigation, flora and fauna species identification, fire keeping, archery and much more! Campers will also have the opportunity to explore the channels of the Marsh by canoe and learn about raptors and reptiles through live animal demonstrations – two of Wye Marsh Camp's favourite activities!

Frequently Asked Questions

1. What time does camp start?

Camp runs from 9:00am - 4:00pm. If you have registered for early and/or late care, your camper(s) are to be dropped off no earlier than 8:00am and to be picked up no later than 5:00pm.

2. What is the arrival/departure procedure?

For your camper's safety, s/he must be signed in and out of camp each day with a signature from a pre-approved guardian. Our sign in/out table is at the Pavilion, which is located at the far end of the parking lot as you drive into the Wye Marsh. Your patience is appreciated during this process.

3. What if someone that is not on the registration form's authorized pick-up list needs to pick up my camper?

Any last minute additions needed to be made to the authorized pick-up list must be made in person during the morning sign-in procedures (at the latest). We cannot accept authorization via the telephone/email.

4. What is the cancellation policy?

We require 7 days notice for all cancellations. Please note that all cancellations are subject to a \$15 administration fee.

For any last minute absences or late arrivals kindly call the centre at your earliest convenience - 705-526-7809 x200.

5. My camper has special needs. How will you ensure that your programming remains inclusive?

Please contact the Camp Director at 705-526-7809 to discuss the best way to care for your child. Wye Marsh Day Camps strive to be as inclusive as possible and abides to the Accessibility for Ontarians with Disabilities Act (AODA), but will need to assess each case on an individual basis to ensure quality care and quality programming. Typically, if your child requires one-on-one assistance in their classroom environment, we will also require the same arrangement.

6. What time is lunch and snack?

We have one 30 minute lunch break from 12-12:30 and two 15 minute snack breaks at 10:30am and 2:30pm. Please note that the Wye Marsh Wildlife Centre and Wye Marsh Camp have gone litter-less! Please help us with this initiative and send your camper with litter-less lunch & snacks as all garbage/recycling and compostables will be sent home.

7. Is there food available for purchase on site?

Although campers are not permitted to purchase anything from the visitor centre's gift shop during camp hours, there are light snacks and drinks available (pop/juice, chips, chocolate bars, candy) should you wish to accompany your child before or after camp. *Note: see Health & Safety section regarding nut/peanut-sensitive regulation.*

Health & Safety

- Wye Marsh Day Camps are **nut/peanut-sensitive**.
Wye Marsh Wildlife Centre is open to the public during day camp hours (9am-5pm). Due to the public nature of the facility, Wye Marsh Day Camps are not able to ensure a nut/peanut-free environment. We do however, remain peanut-sensitive and require that campers do not bring products containing nuts/peanuts to camp.
- Wye Marsh Day Camps and **Sabrina's Law**.
Anaphylaxis is a growing concern among schools and camps. If your camper carries an Epi-pen for their allergy they must carry it with them at all times. Please ensure that the Camp Director is aware of your camper's condition.
- Wye Marsh Day Camp is an **outdoor** camp.
Please ensure that your camper comes prepared with clothing and footwear suitable for being active in the outdoors. *Please see "What to Bring" list for more details.*
- Our policy specifies that counsellors **will not apply sunscreen** to your camper.
Please ensure that you apply sunscreen to your camper before their arrival at camp. Our counsellors will make every effort to remind your camper to apply sunscreen throughout the day, but teaching your camper about sun safety is the best protection.

Camper Commitment

It is the goal of the Wye Marsh Day Camps to provide a fun, safe, and secure environment for all participants. Each camper is expected to commit to the following guidelines in order to ensure that our programs run smoothly.

Please ensure that you have reviewed the following with your camper(s).

Camper Commitment

As a camper I commit to:

- Respecting myself
- Respecting others
- Respecting the environment
- Respecting the facilities

Possession or use of alcohol, tobacco, or drugs are strictly prohibited.

Disrespectful Behaviours

- Endangering the health and safety of peers and staff/volunteers.
- Stealing or damaging other's personal property.
- Damaging natural things and/or disturbing wildlife and their habitats.
- Leaving the program without permission.
- Continuing to disrupt the program.
- Refusing to follow the behaviour guidelines and rules.
- Using profanity, vulgarity, or obscenities.

Any form of bullying or harassment will not be tolerated.

Consequence Sequence

1. Staff directs the camper to more appropriate behaviour. The camper is reminded of the behaviour guidelines and rules, and a discussion will take place.
2. If the inappropriate behaviour continues staff documents the situation. This written documentation will outline what the inappropriate behaviour was, what provoked the situation, and the corrective action taken. Staff notifies the Camp Director of the situation, who then discusses the situation with the camper.
3. If the inappropriate behaviour continues the Camp Director discusses the situation with the parent/guardian to come up with a plan to manage the inappropriate behaviour. If the inappropriate behaviour continues to disrupt the program, suspension may result. Expulsion from the program will be considered in extreme situations.
